The hotel will make every effort to accommodate guests arriving prior to check-in time. The bell stand can arrange to check luggage for those attendees whose rooms are not available upon arrival.

DEPARTURE

Checkout time is 12:00p. As a reminder, most Beltone National Meeting attendees will be checking out on Sunday, so the front desk will be busy. Please be sure to allow adequate time for the checkout process.

INCIDENTALS

At the time of check-in, the front desk staff will request a credit card to cover your incidental charges (charges for personal travel extensions, gratuities for hotel staff, hotel room mini bar, telephone calls, business center usage, laundry, gift shop items, food and beverages consumed on own, etc.), as well as any additional room nights that are not being covered by Beltone. Cards used to guarantee incidentals will have a temporary fund hold until checkout. At checkout, pending any incidental charges that may have been incurred, the funds will be released back to the account.
