WE ARE EXCITED TO ANNOUNCE THE REOPENING OF THE KAO SALON ACADEMY TORONTO ON SEPT 13 2020!

As we prepare to reopen our Academy based on local government guidelines, we are adding several new measures to ensure the health and safety of our guests and team members.

We continue to uphold our already high standards of cleanliness and have added additional enhanced measures in response to COVID-19.

- » Hand sanitizer throughout the Academy will be provided for everyone to use, as well as upgrading to touchless soap dispensers and faucets.
- » We will have members dedicated to sanitizing stations, counters, restrooms and community areas regularly throughout the day.
- » Our Team will be following local government guidelines for the use and wear of personal protective equipment and all guests will be required to wear a mask. We will have masks available to all guests during their visit.
- » Temperatures will be taken upon entrance.
- » We will promote social distancing with only 1 class taking place per day and smaller class sizes.
- » We will be contacting all participants prior to their scheduled program to ask a series of pre-screening questions.
- » Beverage and snack service will not be available.
- » We strongly advise anyone displaying symptoms of illness to stay home and we will happily accommodate any necessary arrangements. We are dedicated to not only the well-being of our guests, but also the safety and protection of our team members. As always, we are requiring our team members to stay home if they are not feeling well.

We will continue to identify additional solutions toward creating a safe and comfortable environment within our Academies upon reopening in accordance with any government guidelines.

***Please be mindful of travel restrictions and guidelines when planning your trip to the Academy as they are frequently changing.

WE ARE IN THIS TOGETHER!
